- 2) Front and side view elevations with dimensions
- 3) Location and depth of any required cuts or fills in soil
- 4) Show the location of any existing utilities or drainage courses (if applicable)
- 5) Indicate an anticipated start date and completion date
- 6) Secure a building permit from the city (if applicable)
- 7) Fence height (if applicable)
- 8) Picture of what final product will look like, if possible

Comments

Location of exterior surface or structure change

Please attach a plot plan of lot showing location of home and proposed change/addition. Please note that all fences must be constructed so that the finished side faces outside of perimeter, and no structure of any kind will be permitted to encroach on established easements.
